Powerful Benefits

The lowest investment, for a world-class coaching Program:

- A powerful New Age Leader with the charisma and personal powers to lead, manage, inspire and grow anyone.
- A powerful conversationalist who can make a difference to anyone in every encounter.
- A high performance leader who can get much more quality results by himself/herself and of others.

And to help you gain:

- A strong foundation as a people effective leader who can powerfully connect and gain trust with anyone.
- A more empowering perspective to get more out of your personal and professional life.

Powerful Outcomes

A powerful New Age Leader with the charisma and personal powers to lead, manage, inspire and grow anyone.

Higher confidence and skills to perform basic coaching in a professional way.

A powerful conversationalist who makes a difference to anyone in every encounter.

Learn to coach and get coached at the same time to acquire coaching skills and gain insights to grow further in your life.

A strong foundation as a people effective leader who can powerfully connect and gain trust from anyone.

A high performance leader who can get much more quality results by himself/herself and of others.

A more empowering perspective to get more out of your personal and professional life.

What Is This Clinic-styled Workshop About?

This is an accredited world-class program of the International Coach Federation, the world's highest and most established coaching body.

It focuses on giving you a strong foundation in acquiring strong knowledge and skills of the well-kept secrets of coaching that will make you a true leader in this modern time.

Here you learn to:

- Use the art of Coaching, its model and process that will boost and accelerate your performance and that of others.
- Gain self- awareness of yourself and others that help in removing self-limiting beliefs that stop people from moving forward in their lives.
- Ask questions powerfully that will stretch and challenge people to take forward-moving actions.
- Listen deeply to discern the spoken and unspoken words of people.
- Be strategic to identify the disempowering and empowering frames in people and how they can change for the better.
- Use 4 coaching power tools to deal with all situations and people.

How Can This Workshop Change Your Life?

- You become a powerful coach-leader with a powerful leadership mindset and personality to take charge of your life and help others to do so as well.
- You become situational leaders who know when to apply mentoring and when to apply coaching.
- You have a working knowledge and skills on how to systematically develop their people.
- You have a mindset that is orientated towards helping people to grow as part of their larger leadership roles.
- You uncover your potentials, resolve your issues and see many more opportunities that you once thought were not possible.
- You be adept to manage the high demands and challenges of life.
- You have a powerful coach-personality that will propel you to greater life and professional fulfilment.
- You ultimately, get the additional 'ammunitions' for superior performances in any role you play in your life!

Meet Your Coach-Facilitators

Josephine Ong is an ICF Professional Certified Coach in life, executive and business coaching. She is a Coach-Facilitator and a Mentor Coach for student coaches seeking certification. She has been the Marketing & Operations Director at Corporate Coach Academy and Corporate Coach for the past 20 years.

Nancy Lee is an ICF-Associate Certified Coach, focusing on Executive Life Coaching. She is a Coach, Mentor-Coach and Program Manager with Corporate Coach Academy. With 30 years experience as an academia in higher education and as an Emotional Intelligence trainer, she also specializes in coaching youth and parents.

Zoe Rodger is an ICF-Associate Certified Coach working towards her PCC. She is a NLP Practitioner for leadership. She has served as a communication director for the Association of Supervisors and Mentor coaches in Asia. (ACSM). As an Executive Coach, Zoe focuses on mindset, emotional management and behavior/habit formation

Lu Jia Lih is a Certified Coach, ICF- trained, working towards her PCC. Jia Lih's coaching skills are acquired from her vast experiences as the CEO of two PETRONAS subsidiaries in Vietnam and the Philippines. Her expertise is in business development, marketing, human resource management, trading, negotiation, governance, risk management and talent management,

Corporate Coach Academy (CCA) is the region's most established and leading ICF Coaching School since 2001. It is a recipient of numerous coaching awards. Two of them are the **Asia Pacific Brand Laureate** and the **100 Coach Leader Award**. Its subsidiary, Corporate Coach Sdn Bhd is also registered with **HRDF** and the **Ministry of Finance**.

It is truly a top coaching school with the ICF ACTP and ACSTH Accreditation status and offers the fullest range of ICF certified coaching programs ranging from the **Associate, Professional and the Master programs**.

CCA has a multi-channel coach-learning structure to cater to anyone in the world: from face-to-face to virtual coach-learning and from small group to personal tutoring as well. It has the best track record in training and certifying the largest number of coaches from many parts of the world.

CCA is the coaching leader and pioneer that brought in **the ICF brand of Coaching** into this region 20 years ago. Its other notable achievements are the setting of **Coaching Standards** to guide and accelerate the growth of the Coaching Industry and setting up the **Malaysian Association of Certified Coaches** (MACC), the biggest and the only national coaching association. It is both an alumni and home for CCA coaches and other bona fide coaches throughout the world.

Perhaps the biggest value for being a coach here is the life-long coaching support it provides to grow the skills and professional careers of its coaches.

CCA is led by 2 powerful coaching personalities: Dr Michael Heah, ICF-MCC and CEO and Tan Sri Datuk Dr M Jegathesan, Olympian and Asia's Sports Legend.
